**INTRODUCING THE
PERFORMANCE 560e**

PERFORMANCE™ 560e

THE MOST DEPENDABLE PARTNER YOU'LL EVER HAVE.

The Performance 560e comes ready to work as hard as you do. Constructed from the highest quality parts, the Performance 560e is built to last. And last. And last. Featuring a strong kid frame for greater stability and a field replaceable fluid section, we've maximized durability while also maximizing portability. And backed by the industry's longest, most comprehensive warranty, you'll find the Performance 560e sprayer to be the ideal choice for your business.

ENGINEERED TO LAST LONGER AND PERFORM BETTER.

The Performance 560e sprayer features Titan's Quad+ packings - an innovative, proprietary technology that generates greater performance while engaging fewer movable parts. Quad+ Packings are field serviceable, never need adjusting and have proven durability that has powered the Titan Electric Sprayers for many years. This translates to a longer lasting, less expensive, easier to maintain sprayer that delivers top-notch performance for many, many years.

MAXIMIZE YOUR INVESTMENT.

When it comes to getting powerful performance at an affordable price, nothing comes close to the Performance 560e. Perfectly suited for residential, property maintenance, and small commercial applications, the Performance 560e applies all standard primers, paints, and architectural coatings with ease. Offering superior features and unmatched performance, there isn't a higher quality, more rugged and reliable sprayer in its class.

INTRODUCING THE NEWEST MEMBER OF THE PERFORMANCE FAMILY.

PERFORMANCE 560e FEATURES & KEY BENEFITS

Quad+™ Packings

- Self adjusting and self compensating
- Precision machined from long life UHMWPE material

Lighter Weight Skid

- For portability and transport
- Convenient carry handle

Easy-Access Manifold Filter

- Tip unit backwards to catch fluid when removing filter housing for cleaning
- Large surface area keeps performance strong and reduces clogging at the gun

Professional Gun Assembly

- Quality contractor style spray gun with trip guard, tip & filter

Precise Electronic Pressure Control

- Precision control for all spraying applications
- Pressure indicator lights on control panel for data at a glance
- Pressure gauge provides real-time pressure reading

Permalife™ Cylinder

- Never wears, never needs replacing

TITAN™
WE WORK FOR PAINTERS

EXCEEDING EXPECTATIONS COMES STANDARD. Built on Titan's tradition of innovation and industry leadership and designed to outperform and outlast the competition, the Performance 560e has set new standards for maximizing quality and performance at an affordable price.
